Debbie Slocum was crowned Football Queen of 1971 and Terry Rolf was the king. Cheryl Graham and Scott Tuhro were MC's. Jay Barry provided the music to end the perfect evening.

Cleveland Dolphins Win Second

And here is the one and only, Coach Arky!

"It wasn't the water that killed him, it was the fall."

The 1971-1972 Cleveland Dolphins was a powerful team with a great deal of potential. Their five wins, one loss season record placed them second in the Public High League. They submerged Southwest 63 to 22, vanquished Vashon 74 to 14, subdued Soldan 70 to 16; beat Beaumont 51 to 34; and scrapped Sumner 46-40. Their only loss was to Roosevelt 65-20.

Even though none of the Dolphins went to the State Championships, they did their best, YEA Dolphins!!

Leading the Way with G.R.A.

The G.R.A. (Girls' Recreational Association) which was established in 1916 has become almost a tradition here at Cleveland. The members of the G.R.A. participate in various sport activities throughout the school year in order to earn points toward the G.R.A. Awards presented at the end of the year. Points are earned for attendance and participation, and extra credits are given to any girl who becomes a member of any team.

G.R.A. also has social events such as pajama parties and skating parties. The year is ended with a banquet where the girls thoroughly enjoy themselves. The climax of the evening is the presentation of the awards to the very worthy recipients.

Student Council

The function of the Student Council is to bridge the gap between the students and the administration. This year's council is trying its hardest to make the council what it should be. This year's council is reviewing and revising the constitution, and if possible, a Bill of Rights is to be added. Along with the revisions, the council is carrying out its traditional duties, and with great success. The Football Coronation, the Basketball Coronation, and the Honors Aud. have all done well. Filled with the Christmas spirit, the council decorated a tree to brighten the castle, and filled stockings to cheer the patients of a tuberculosis hospital. The council has had a very active year, and everyone has kept their Dutch Spirit.

The photograph at left is one of the Dutchmen Trophy, which was officially presented to Cleveland High School, in the Winter Lettermen's Banquet.

The idea created by Mr. Jack Hardy, with the help of Mr. John Rowland, a contest was held with the winner being Don Bammert, second place going to Don Broawn, and third place going to Janet Andre. There were ten finalists in all, and all received an award furnished by Dave Sinclair of Sinclair Ford. The trophy was then constructed by Mr. Fred Precht, Jr.

Cleveland is proud of the accomplishments of its lettermen and is happy to have a symbol of Dutchmen accomplishment, the Dutch.

I tell thee,
Although it is a long time on the road
It is on the road and coming.

It never retreats and never stops,
It is always advancing.
Look around and consider the lives and faces
